LEFKAS ARRIVAL INFO

Port: Lefkas Marina | Municipality: Lefkas | PC: 31100 | County: Ionian | Country: Greece

The marina of Lefkas is located at the NE side of the island, surrounded by the town of Lefkas. Our meeting point is inside the marina of Lefkas, between piers E and D.

The city center is in walking distance and the marina offers a lot of amenities itself like laundry, supermarket, souvenir shops, Wifi, electricity and water through pillars, post office, toilets, showers and first aid.

Anchoring is made by mooring on submerged chains alongside each pier.

Provisioning can be delivered to your boat upon request. Ask for the 'Provisioning list' form.

MAKE SURE YOU HAVE THE FOLLOWING

- ▶ CREW PASSPORTS OR IDS
- ▶ SKIPPER'S LICENSE (IN CASE WE HAVEN'T HIRED ONE FOR YOU)
- ▶ ENOUGH MONEY FOR THE PAYMENTS MADE UPON EMBARKATION
- ▶ CREDIT CARD (VISA OR MASTERCARD) WITH A SUFFICIENT LIMIT ACCORDING TO THE SECURITY OPTION YOU HAVE CHOSEN TO PAY

**licenses with limitations such as: 'daylight hours', 'fair weather conditions', 'inland waters', etc, will not be accepted by the port authorities. Also, if your license is not clearly a sailing one, you might need to sign a solemn declaration before you embark*

CHECK-IN/OUT

EMBARKATION starts at 17:00 of the charter start date and disembarkation completes at 09:00 of the charter end date.

RETURN AT THE CHARTER END-BASE is obligatory that takes place on the previous day of disembarkation, until 18:00.

GETTING THERE

The nearest airport to Lefkas is Aktion. There are connections with direct flights from most European capitals. You can also find connection flights with Athens international airport

- **By intercity bus**

The intercity bus (KTEL) leaves Aktion airport every 3 hours approximately and the price is €3 per person. Journey time 30-40 minutes

- **By taxi**

The trip from Aktion airport to Lefkas marina is about 30 minutes long. The price range is €35-45 for each taxi. All vehicles are air conditioned

- **By mini bus**

Duration of the trip is also 30 minutes long and price range is about €80-90 for an 8-seat bus. All mini buses are air-conditioned and are ideal for bigger crews. If you are interested in that please contact us at least 5 days before your charter starts

Weather forecast: www.windfinder.com/

WEATHER CONDITIONS

Ionian islands area is famous for its calm sailing conditions, ideal for relaxing holidays between the beautiful green islands. Winds tend to be lighter and from the northwest in the spring and stronger from the north or northwest in the hot summer months.

ELECTRICITY AND WATER

At each berth there are special pillars providing 220 volt and 380 volt electricity and water. The consumption of 380-volt electricity is metered and charged accordingly, and the water provided is potable

REFUELING

A fuel station is to be found at the entrance of the marina. The friendly and efficient staff will attend to all your needs for diesel, petrol, oil and filters. Facilities for the disposal of biological waste and oil waste are also to be found here. Payment for fuel may only be made at the fuel station.
